Speed Skating Canada - Presidents Commendation

Members of BCSSA

At the recent ISU World Cup Long Track event held in Calgary this past November, Ian Hennigar was recognized by Speed Skating Canada for his lifetime commitment and dedication to the sport of Speed Skating.

Coaches, skaters and friends from across the country who have known Ian gathered with him to celebrate his career and talk about the impact he had on their lives..

On behalf of Speed Skating Canada; Tony Main, SSC Board Member, Treasurer and a past skater coached by Ian, presented Ian Hennigar with the 1st SSC President's Commendation.

Before landing in Victoria Ian spent many years in Ontario in various roles including coaching and as Executive Director of the Ontario Speed Skating Association. Currently and still with his passion, Ian continues to grow the grass roots of his club while coaching with the Peninsula Speed Skating Club in Victoria BC.

As his Bio mentions:

Ian's Bio from the Peninsula Speed Skating Club Web Site:

Ian's coaching career and accomplishments began over 30 years ago. During this time Ian has coached world record holders, Olympic, and world champions. Ian often says he feels his greatest coaching accomplishments have been at the grass roots club level.

On behalf of the Board of BCSSA and our valued membership, it is my pleasure to congratulate Ian on his many accomplishments within the speed skating community. I also ask that as BCSSA members, we take a moment to think of Ian and his family as they face their challenges ahead.

Thank you

Kindest Regards

David McQuaid
President
