Following the resignation of Jim Allison, the Board met last night to select the new President for Speed Skating Canada. As per the SSC Bylaws, specifically Section 38 (b), the Board unanimously approved the Vice-President, Susan Auch, to become the new President through until the 2016 Annual General Meeting (June 18th), at which time the membership will elect a President to complete the remaining two years of the SSC President's four year mandate.

From Winnipeg, Susan is a very well known individual within the Speed Skating and Canadian Sport community. A three time Olympic Games medalist and past national team member for seven years (both Short Track and Long Track), Susan has served as a member of the SSC Board of Directors for six years and as the SSC Vice President for two years. Susan is a business owner in the real estate profession.

"As the new President, I look forward to continuing to build upon the great success that Speed Skating Canada has had as an organization this year", noted Susan.

The SSC Board thank the membership and staff for their continued support and patience on this matter. The Board will schedule a Branch President's call in the next few weeks to update members on Board and other programming areas of interest to the membership.
